Reference: FCC Docket Nos 96-45, 98-171, 90-571, 92-237, 99-200, 95-116, 98-170
and NSD File No. L-00-72.

Dear FCC:

I can not afford this increase. It don't sound like much, but the time you get
taxed a dollar here and a dollar there, it adds up. I am on a fixed income and
only use Trac Phone for emergency. Please don't raise the rates. Thank you.

Thank you for your prompt attention to this matter. Please provide a written
response indicating the status/resolution of this matter.

Very truly yours,

William Gann
